I declare that:

This submission is my own work. The content (biography, skills, projects, colours, photo or avatar) was chosen by me and is true. I understand the code I submit and can explain it. Starter libraries (Expo, React Navigation, AsyncStorage, Expo Image Picker) are acknowledged. Any AI assistance is disclosed honestly in evidence/AI_USE.md. The APK was built with EAS Build and tested on a physical Android phone without Expo Go. The app stores only fictional or low-risk class data and no passwords, tokens or secrets. I understand that substantially identical submissions may be referred for academic integrity review.
